## Dr. J. W. Grant MacEwan opens Centennial Library

The sun shone brightly on St. Albert on the occasion of the official opening of the Centennial Library, Saturday afternoon. The Lieutenant-Governor of Alberta, Dr. J. W. Grant MacEwan, officiated at the ceremony. Dr. MacEwan said he was "impressed" with the Library, and commented that the selected site "with trees on three sides, planted the way God planted them" was "one of the loveliest in the world".

In congratulating the Town of St. Albert upon the completion of their Centennial Library, Dr. MacEwan said "St. Albert has distinguished itself once again, may it continue to do so."

The Invocation was given by the Reverend Mr. Musto and the Reverend Father Lafrance, who later placed a Protestant Bible and a Catholic Bible in the Library. Mr. Wm. Soprovich, Chairman of the Library Board, introduced the platform guests. Mr. E. R. Hughes of the Alberta Centennial Committee said the Library is a "magnificent contribution to mark Confederation." Mr. Hughes added it was "a matter of gratification for the Provincial Government to have been able to participate in the project."

Mr. Frank Day of the Federal Centennial Commission told those present "a few years ago we were worried if Canadians could stand up on their two hind legs. The sceptics were wrong, you have shown wonderful Centennial spirit." Mr. Day said he especially wanted to commend "the volunteers, the

people behind the scenes who are making Centennial the success it is."

The Mayor of St. Albert, Richard S. Fowler commended the Library Board who he said, "have done an exceptional job over the years." Mayor Fowler said the Board often worked under adverse conditions as the Library was moved from one room to another. The Mayor presented Centennial Scrolls to thirteen St. Albert groups and individuals who made valued contributions to the Library. Dr. MacEwan then cut the "ribbon", a string of colorful book jackets, and declared the St. Albert Centennial Library officially open.

A number of presentations were made inside the building. Mrs. N. Scott, Regent of the Father Lacombe Chapter of the I.O.D.E., presented the Librarian with a cheque for \$300, to be applied to the purchase of children's books. Mrs. A. Borgstede, President of the Catholic Women's League presented the Board with the painting "Old Town" which will be placed in the Library. Lloyd Onishenko,

President of the Sir George Simpson Student Union presented Mr. Soprovich with 50 Centennial book-ends, made by the students of that school. Mrs. M. Sinclair presented Dr. W. Mirlin of the Library Board with a 16 m.m. sound projector, the Centennial project of Beta Sigma Phi Sorority.

Attracting much attention was Mr. Guy Voyer's statue of Father Lacombe which is now attractively mounted on the west wall of the building. The local artist's exhibition and I.O.D.E. fountain also drew much interest and favorable comment from visitors and guests. Mr. Voyer presented the statue to the Library as his own personal Centennial project. The guests moved out on to the sun drenched lawns outside the Library where a delicious lunch was served by the ladies of the I.O.D.E.

Lieutenant-Governor J. W. Grant MacEwan addressed the crowd gathered for the official opening of the Centennial Library prior to cutting the ribbon. Later Dr. MacEwan circulated freely among the guests and many local people enjoyed meeting him informally. Gazette Photo.

## Council decides against split

St. Albert Town Council Meeting June 26th, defeated Councillor J. J. Bakker's motion to split the Parks and Recreation Department into two separate sections by a vote of 5 to 1. Councillor Bakker had attempted to have his motion tabled until September 25. He wanted to have separate budgets prepared and see monthly reports from both Mr. A. R. Gate and Mr. E. Harrison, the Recreation Director and then "look at the split again in September". The tabling motion was unacceptable to Council. Councillor Armand Donais told Mr. Bakker "I can't understand why you don't wish to culminate your motion, which was preceded by a notice of motion. You are now asking that we carry this into September". Mr. Donais, felt Mr. Gate and Mr. Harrison would be "working under a cloud" and added that in order that they can work efficiently Council "should make a decision now". Mayor Fowler said he, too, was opposed to any further tabling of the motion to split the Department.

Before voting on Mr. Bakker's motion, Councillor Gibbon referred to the material which had been circulated to Council.

Councillor Gibbon said he could go along with the mot-

ions to split the Department, "except for some statements I take exception to". The statements referred to were included in Mr. Bakker's Brief at the previous Council meeting. Mr. Gibbon underlined these statements, passed them to Mr. Bakker and asked that they be withdrawn. Mr. Bakker said "I can't go along with that", and Council then solidly defeated his motion. Councillor Bakker said he wanted to make it "perfectly clear that I have complete confidence in Mr. Gate as far as the Parks Department is concerned".

Council asked for a monthly report from Mr. Gate and the Recreation Director and the new Secretary

## Lions Picnic Saturday

Saturday, July 1st looks like a fine Holiday to spend right here in St. Albert Lions Park, which has been all spruced up for the occasion by the hard-working Lions. Pack a picnic basket and take the whole family out Saturday afternoon. A lovely picnic shelter, seven camp-stoves and attractive surroundings, and the Lions have cut plenty of wood for picnic fires. All these attractions will make for a relaxing afternoon. For the more energetic types the soft ball backstop is up, volleyball nets ready, horseshoe pits dug and games and races arranged for children. The Park will be opened for the season at one o'clock and there will be Centennial Flags given out for the children at the gate. Later in the evening the Centennial Committee have arranged a fireworks display, traditional Dominion Day celebration.

No need to fight holiday traffic and jammed beaches and face a long drive home after a tiring day. Plan to spend a happy holiday at the Lions Park with your home-town friends and neighbours.

## Monday Hours

St. Albert stores will be open on Monday, July 3rd, and milk deliveries will be made as usual. Post office will be open but Banks will be closed and so will the Town offices.

## Assessment delayed

A savings to St. Albert ratepayers of some \$36,000, has been affected with the adoption by the Minister of Municipal Affairs of Mayor Fowler's resolution. Implementation of the 1967 general assessment has been postponed till next year in accordance with the resolution, which resulted from a series of seven meetings

with various related departments of the Provincial Government.

Over 600 local home owners had filed appeals against the increase totalling \$1.8 millions over last year, which brought the 1967 figure to \$15,036,787.

Town Council will now budget for a mill rate using the assessment roll as it was prior to this year's general assessment. Even if a substantial drop in the mill rate could have been effected, it would have been difficult to offset the large increase in the '67 assessment.

In support of his resolution Mayor Fowler cited the late date of assessment figures this year, plus the lengthy court of revision hearings which resulted in late mailing of decisions to those appealing. In addition the Provincial Appeal Board can not sit until August, and in the meanwhile a realistic mill rate could not have been set, had the resolution not been accepted.

## Mayor's Column

A large number of people in St. Albert are now of the opinion that the new General Assessment has been cancelled. Let me state most emphatically that such is not the case and those people that are considering appealing the decision of the Court of Revision to the Alberta Assessment Appeal Board should proceed forthwith. The deadline for this Appeal of the 1967 assessment is July 12th, 1967. I would encourage those appellants who have received negative decisions from the Court of Revision in regard to their land assessment should most definitely proceed with an appeal to the Alberta Assessment Appeal Board. It is entirely possible that a large number of appeals before the Appeal Board would bring about a new general assessment. I state once again, though, that the 1967 General Assessment has not been cancelled. The authorization we have recently re-

ceived from the Minister of Municipal Affairs is only to postpone the implementation of the 1967 General Assessment to the taxation year of 1968. The Ministerial Order also permits us to adopt the 1966 live assessment for the taxation year of 1967. This means that for this tax year your assessment will revert back to what it was for the tax year of 1966, unless you have made improvements to your property, such as basement finish, garages etc. The assessment we would use for this year's taxation with regard to your land will be identical to the previous year's and the over 100% increase will not be in effect this year. One other item which will not be in effect is the depreciation which has been allowed on your house or improvements and it would therefore be safe to assume that the assessment we are using for

continued on page 15

Two "Firsts" are recorded in the above photo. The donation to the Knights of Columbus handicapped bus project is being presented, and the presentation marks the first charitable undertaking by the Welcome Wagon Newcomers Club in St. Albert. Genevieve Dawes, Welcome Wagon Hostess smiles happily as Joyce Loos, retiring president of the Newcomers Club presents a cheque for \$50.00 to Mr. Paul Shelemey co-chairman of the Knights bus project. Gazette Photo.

## Thursday Blitz for handicapped

Thursday, June 29, is blitz "KNIGHT" in St. Albert. The Knights of Columbus of the St. Albert Council together with many other volunteers will blanket the town in an attempt to raise \$6,000.00 in order to purchase a special bus for the handicapped children and adults of St. Albert.

If sufficient funds are realized from the door-to-door canvass, the Knights will purchase a bus that will provide regularly scheduled

transportation to the Asphasia School, the Glenrose Hospital, the Winnifred Stewart School and other special schools for the handicapped of St. Albert.

The Centennial project of the local K.C. Council will require the support of all St. Albert householders if it's to reach its objective. Please give generously when the canvasser calls at your door. Don LaBelle and Paul Shelemey, co-ordinators of

the blitz, visited the Town Council meeting last Monday and received funds from the Mayor and the Councillors to kick-off the campaign. The St. Albert Newcomers Club donated the first \$50.00 towards the fund.

Householders who are missed during the canvass, or are away when the canvasser calls, may forward their contribution to Paul Shelemey, 23 Geneva Crescent. Cheques should be made out in favour of: The St. Albert K.C. Handicapped Bus Fund. Official receipts for income tax purposes will be given to all donors.

Welcome your volunteer canvassers with a smile - they are giving you an opportunity to help people who are exceptionally deserving.

UNFORTUNATELY THEY CANNOT HELP THEMSELVES.

## Hercules PeeWees Soccer Champs

In winning their game Friday the Hercules PeeWee Soccer team became league champions of the Northern zone of the Edmonton and district PeeWee League. Their record to this game is: Games played - 7; Won - 7; Goals scored - 34 Goals against - 4. This is a remarkable record for a fine group of boys who, along with the efforts of the Hercules Sports Club and excellent co-operation rendered by Mr. Gate of the Parks and Recreation Department, have developed a fine reputation for themselves and for the town of St. Albert. Many favourable comments have been expressed by visiting teams and their supporters on both our playing facilities and the performance and conduct of the St. Albert boys.

### GAME REPORT:

Hercules PeeWees - 5  
Rosslyn - 0

From the opening kick off the Hercules team did not waste time in piercing the visitors defense and it was not long before St. Albert's alert c/f Gary Ferguson popped the ball in for the first goal. L/W Gordie Brown always prominent around the goal area was on hand to smack in the second tally and shortly after r/w Geof Holden crashed in a shot which bulged the net for number three. A fine effort from 25 yards by star l/h Jimmy Winters which beat the goalkeeper was disallowed because of an offside call against the forwards. Shortly before the end of the half l/h Alan Eschuk cracked in the fourth goal from close in. St. Albert brought in three changes at halftime and soon after the start of the second period l/w Barry Alliston belted in a pass from the head of l/h John Fields for goal number 5. In his new position r/h Don Hunt was constructive and worked hard throughout for St. Albert. C/H "Leadfoot" Verbeek kept control of the middle and both he and l/h John Fields were conspicuous in heading the ball. Backs Burrows and Mercer continue to shine as a defensive combination and keeper Larson always looked safe in his handling of the ball. Despite nearly taking the full count from a hard ball which struck his face c/f Gary Ferguson recovered and showed his mettle by hitting a shot on the turn which flashed past the post in the dying moments of the game.

### GAME REPORT

Hercules Bantams - 1  
Wellington - 0  
Playing at Kinsmen Park

Page 2

on Saturday the heat and long lay off obviously affected the Hercules play and had much to do with the close score. A good part of the game was spent in the Wellington half and many plays were scrapped by offside calls. Wing halves Clayton Hodge and George Coward were impressive in the first half in starting attacks and helping out in the defense. l/l Stewart McKinnon scored the lone goal of the match by latching onto a loose ball in the goal mouth. A great first time shot from 20 yards by l/w Hugh Hopkins which curled under the bar was disallowed on a contentious offside call against another forward. In the second period despite the heat r/w Ken Love showed his sprinting ability by outpacing the defence on numerous occasions. C/H Doug Ferguson maintained his complete domination of the middle and his fine distribution of the ball sparked many rushes by the forwards. A late solo effort by George Coward saw the ball flash past a post with the goalkeeper well beaten. The Bantams have now won 5 out of 6 and are placed second in the league. Their next two games are against Beverly on Wed., June 28th and Boyle Club on Sunday, July 9th.

Bantams are in 2nd place in the league now.

### GAME REPORT

Hercules Midgets - 1  
Montgomery Legionaires - 1

The Hercules squad were unlucky not to have had two points for their efforts. The visitors scored from a penalty in the first half despite a valiant attempt by "Little John" Netelenbos to stop the ball from entering the net. St. Albert started slowly and as a result Netelenbos was called on to make numerous

## jobs done? Phone 8202

Anyone looking for a young man or woman to help with various household and garden chores, car washing etcetera may phone the local Youth Employment Service at 599-8202 between the hours of 7 and 9 on Wednesday, Thursday or Friday evenings. Mrs. Mirlin, Mrs. Swain and Mrs. Evans are manning the phone at

MEET YOUR NEW FRONTIER DAZE QUEEN - Miss Carol Hittinger is shown introducing Miss 1967, Jeannette Bauwens after the crowning ceremony was finished.

saves in the first half. R/B Nick Spence was conspicuous for his interceptions in this period.

In the second half the home team worked hard to get the equalizer and put much pressure on the visitors goalkeeper. C/F Sid Allen struck a post with a fine effort and shots by wingers, Mann and Ahronson had they been on target would have made the game safe for St. Albert.

## Around Town

A group of neighbours around 12 Greenview got involved Monday evening in the rescue of a very frightened kitten from high up on a pole. Anybody having had this experience might be interested in how they solved the problem, after trying many ideas in vain. A wicker basket was nailed to a long pole and when held up close the wee kitten hopped in gratefully and came down in style.

People on Piron Street last Friday morning were startled to see huge jagged holes in the front window of the R.C.M.P. premises and the window in the door behind it. The senseless vandalism occurred between 6:15 and 7:00 in the morning.

Miss Carol Olsen has now completed her high school at Outlook, Sask., and will be spending the summer months with her parents.

Miss Olsen, daughter of Pastor R. O. Olson, will be going into teaching this fall at Camrose Lutheran College.

present until students are available to do so. With holidays beginning the young people will be available for a lot more hours.

## TOWN OF ST. ALBERT NOTICE OF INTENTION TO CLOSE GOVERNMENT ROAD ALLOWANCE.

WHEREAS, the Council of the Town of St. Albert deems it necessary to close a portion of Government Road Allowance, hereinafter described.

NOTICE IS HEREBY GIVEN of the intention of the Council of the said Town to pass a By-law on the 24th day of July, A.D. 1967 for the purpose of closing that portion of the Government Road Allowance between River Lots 53 and 54, St. Albert Settlement, which lies within the extension of the Railroad Right-of-way, as shown on registered plan No. 9201 S, as it crosses the said Government Road Allowance, 440 (Four Hundred and Forty) feet South of Lakeview Drive. AND THAT in accordance with Section 269 (1) of the Town and Village Act, R.S.A. 1955, as amended, the By-law shall be submitted to the Minister of Highways for his approval, prior to the final passing thereof;

AND THAT before the passing of the By-law, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the By-law and who petitions to be heard, shall be afforded an opportunity to be heard, either by himself, or his agent;

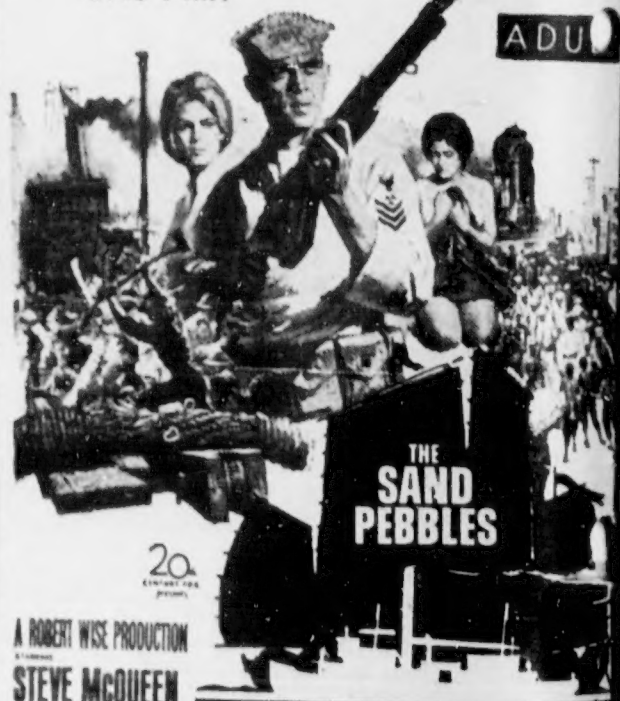

AND THAT a person occupying, owning or otherwise interested in land that sustains damages through the closing of the aforementioned Government Road Allowance, shall be compensated for such damages in accordance with the aforementioned Act.

Dated at St. Albert, this 16th Day of June A.D. 1967.

S. L. Billings  
Acting Secretary-Treasurer.

MRS. WALLY OLSON

## St. Albert couple married

The marriage of Mavis Chevigny, youngest daughter of Mr. and Mrs. Cheri Chevigny, and Wally Olson, eldest son of Mr. and Mrs. Chris Olson, all of St. Albert, took place on Thursday, June 8th at the St. Albert Roman Catholic Church in St. Albert.

Father Andre Piquette of St. Paul, cousin of the bride, conducted the wedding mass, assisted by Father C. Levangie, OMI. Rene Victor read the Epistle, Mr. Bernard Montpetit, soloist and Mrs. Andrew Kennedy at the organ provided the wedding music.

The bride was radiant in a floor-length gown white satin with train embroidered in seed pearls. Her chapel veil was held by a tiara and she carried a cascade of yellow roses and white stephanotis. She was attended by her twin sisters, Mrs. D. Liptak and Mrs. D. Lewis, and by the

groom's sister, Christine Olson, and the bride's cousin Karen MacMillan. The bridesmaids wore identical empire line blue dresses and carried bouquets of yellow mums.

The groom's attendants were his brother Les Olson, his cousins Doug Victor and Ken Veness and the bride's cousin Ray Kluthe.

A reception and dance followed at the Club Mocombo, where Mr. D. Liptak was master of ceremonies and Mr. D. Lewis gave the toast to the bride. Everyone was very pleased to be able to give an additional toast to the bride's parents who were also celebrating their 30th wedding anniversary.

Following a trip to the mountains and west coast the happy couple will reside in Edmonton.

## Health plan benefits extends

Extension of limitations on hospital benefits and elimination of limitation on drug benefits under the Alberta Health Plan were announced today by Hon. J. Donovan Ross, Alberta Minister of Health.

Effective with the commencement date of the Plan, July 1, hospitalization benefits offered under Option A are extended to include unlimited days of care in a public general active treatment hospital; payment of the admission charge levied in Alberta hospitals; payment of the daily co-insurance charges when occupying a standard ward bed; payment of differential charges when semi-private rooms are occupied; payment of hospital out-patient charges remaining after appropriate government hospital credits have been applied; and a maximum of 180 days of care during one or more admission to an Auxiliary Hospital during a 12 month period, July 1 to June 30. These benefits do not apply to out-of-province hospital care.

Limitations in drug purchases under Option B have been removed completely, and 80 per cent of all charges will be paid, with the purchaser assuming payment of the first 20 per cent. These benefits do not apply to birth control or contraceptive pills.

The Minister also announced that persons covered under the Basic Alberta Health Plan, but who do not have all the optional coverage, may add those options desired to the original contract but only on October 1 January 1 or April 1.

## Book your accommodations for Expo 67 now.

With over two months' experience in finding accommodations for Expo 67 visitors, LOGEXPO is a proven success. You are assured of a place to stay in Montreal.

LOGEXPO has listings of over 79,000 rooms, in hotels, motels, tourist homes, efficiency apartments, special trailer motels and private homes.

If at peak periods, such as holiday weekends, certain kinds of accommodations are not available, LOGEXPO can offer you alternatives which we are sure you will find satisfactory. All you have to do to make a reservation is fill out the coupon below, and mail it to LOGEXPO. You will receive a reply within a few days, followed by a confirmation of reservation direct from the management of the hotel, etc. or the homeowner. Or you may phone EXPOVOX at (514) 397-8397 for full information about availability of any of the accommodations listed below.

Make your reservations as early as possible—the sooner you write or call, the wider your choice.

**Private Homes.** Over 30,000 hospitable Montrealers are welcoming visitors into their homes. The locations have been picked to make it easy for you to get to and from the Expo 67 site. RATES: from \$8 to \$14 a day for two people, \$10 to \$18 for three, or \$12 to \$22 for four.

**Efficiency Apartments.** Accommodations, mostly in central Montreal, for 10,000 people, with kitchen facilities and maid service. RATES: \$18 to \$25 a day for two persons, plus \$3 a day for each additional person.

**Hotels.** There are still vacancies in downtown hotels during some periods, also in

resort hotels within easy reach of Expo 67. RATES: from \$12 to \$30 a day (double occupancy).

**Motels.** Available in many periods. RATES: \$12 to \$30 (double occupancy).

**Tourist Homes.** Available in many periods. RATES: \$10 to \$18 (double occupancy).

**Motels (Trailer type).** 1200 units offer another attractive alternative, are ideal for families; kitchen facilities and maid service included. RATES: from \$25 a day for two persons, \$30 a day for four, or \$49 a day for eight. Children under 12, free.

**Trailer Sites.** There are ample trailer sites within easy driving distance of Expo 67, all with 3-way hook-up. RATES: \$3.50 to \$5 a day.

**Camp Sites.** 20,000 sites, in 120 separate locations, in the area around Montreal. RATES: \$2.50 to \$3.50 a day.

All accommodations government-inspected and approved.

# the Gazette REFLECTS

It is a pleasure to congratulate our Morinville neighbors on the success of their Frontier Daze celebration on the weekend. Sometimes the volume of statistics on the population shift from rural to urban areas weighs heavily on the heart. The statistics seem to say that a way of life common to all our forebears is doomed.

So when a little Town of about 1100 people can welcome and provide for a crowd of some 5,000 joining in this celebration it is a sincere pleasure to say "Well Done!"

Are the statistics really inexorable? Perhaps those St. Albertans who do not want to become part of Edmonton's statistics have an alternative to consider. Would our future better lie as a large centre within the Sturgeon District, surrounded by healthy growing villages, towns and farm units.

All of us in Sturgeon Municipal District have some important areas of common interest, which could get lost in the shuffle if St. Albert were absorbed by Edmonton. One is the Sturgeon River - our first big asset as seen by Father Lacombe and his Bishop when they chose our townsites. Our neighbors in the District share our interest in restoring the Sturgeon - a project close to the hearts of many St. Albertans, including our former mayor, Bill Veness.

Education is another significant common interest and the development of a regional composite type high school, which admittedly has many hurdles to overcome. But all the citizens within the municipal district surely share a great concern for our young people and the weight of pressure modern society places upon them. This question should not be closed when such a regional school could offer them so much.

Hospital services, area road improvements, possible University centre are other major common interests of all who live in Sturgeon Municipal District. Let us consider what thriving, growing rural centres can mean to our province and our own community - is there not also a potential for industrial growth in such an area? - and give some thought to how we can advance together.

## Alcoholic drivers are killers

GET ALCOHOLIC KILLERS OFF HIGHWAYS TO CUT DEATHS: The evidence is growing that the alcoholic is a special hazard on the highways, says Earl Damude, editor of The Medical Post. He quotes a study by Dr. Reginald G. Smart of the Alcoholism and Drug Addiction Research Foundation of Ontario revealing that 96 alcoholic clinic patients had twice as many traffic accidents as the general driving population. Another study shows that out of 72 fatal auto accidents 40% involved alcoholics. "These highway accidents, fatal or otherwise," Damude points out, "are not caused by so-called social drinkers who take a few beers and then drive home. They are caused by hard-core alcoholics who have a long history of heavy drinking and whose blood alcohol readings are consistently over the accepted limit."

We are not going to see any lowering of traffic accidents and fatalities until tougher legislation is passed to keep alcoholics from driving. If provincial medical associations showed strong leadership in helping to keep alcoholics off the highway, perhaps some such legislation might succeed. We can lawfully prevent people with ocular disorders and epilepsy from driving and these people constitute a minuscule hazard compared with the alcoholic driver. The evidence that the alcoholic driver is a killer is incontrovertible. Let us get him off the highways.

## A rainbow for Canada

"Pass the tea and let us drink,  
To the guardians of our land,  
You can bet your life it's not  
our fault,  
That whisky's contraband.

The above verse was the lament of Alberta's first N.W.M.P. officers. Their first job was to rout the whisky traders and they did it well. Hundreds of gallons of fire water soaked into the prairie earth in those early years of law and order. Canadians were very proud of the N.W.M.P. and liked to tell stories about the Mounties which showed up the American Lawmen south of the border. Our federal government had learned from the American mistakes and problems in dealing with their wild west. Even now we can be proud of the way these problems were handled in Canada. Lawlessness so widespread in the American west was rare in our west once the N.W.M.P. came.

One of the stories told about the Mounties concerns a lone N.W.M.P. officer who captured an entire band of horse thieves single handed. Later it was found the thieves had been arrested on the south side of the border so they were set free. A week later an entire unit of U.S. cavalry captured the same band of thieves. Canadians liked to point out that one

Mountie could do as much as a whole troop of American soldiers.

A reader thought it would be interesting to know which Alberta settlements had made a bid to be the capital of the province in 1905. The hopefuls were Edmonton, Calgary (of course), Banff, Cochrane, Red Deer, Wetaskiwin, Lacombe, Vegreville, and Athabasca Landing. Letters and delegations from each of the candidates were heaped on Ottawa. Edmonton and Calgary newspapers made rude remarks of each other. A Calgary editorial sniffed at "those sore losers from the far north" (Edmontonians). The Edmonton Bulletin printed statements about "greedy southerners". So it went until Ottawa decided to let the people of Alberta decide for themselves. An election was called for November 8, 1905. The Liberals, under Mr. A. C. Rutherford vowed to make Edmonton the capital if they won. The Conservatives, under R. B. Bennett vowed to make Calgary the capital if they won. It was a landslide for the Liberals and Edmonton.

We salute this week the Lions' Club for their plans to make Lions' Park a well equipped recreation area.

## OUR READERS

Space is available on this page to interested readers wishing to contribute articles or letters on matters of public interest. Copy should be in the Gazette office by 6:00 p.m. Monday, and all such material must be signed by the writer. Opinions expressed may be contrary to those of the Gazette, but personal attacks on private individuals will not be published.

### One Man's VIEWPOINT

by Robert Russell.

Two of the Mayor's recent letters have annoyed me no end. The first and most obvious was his letter on the last mail delivery before election which alleged that Edmonton was about to annex the Town of St. Albert and that only a Socred MLA could help us in such a predicament.

Most citizens realize, I'm sure, that there are really only two significant changes that could take place through annexation.

Our taxes would go down and Mayor Fowler would lose his salary. Neither situation would cause much concern to the ratepayers.

I was more than a little incensed to discover our Mayor popping up all over the constituency and the province during the provincial election to speak and campaign on behalf of Socred candidates. There is no question that the local Socred needed the help but I resent having to pay the Mayor's salary while he campaigns against me.

Since the Mayor is such a moralist, the only proper thing for him to do is to refund his salary for the month of May to the Town of

St. Albert and let the Socred Party pick up the tab for his salary.

The second item is the Mayor's letter in the Gazette suggesting that no matter how people may vote on a money by-law the Mayor feels that there is a moral obligation to complete a skating rink. I'm all in favour of skating and hockey but this is not the issue.

The taxpayers have every right to insist on a money by-law and the Mayor should compliment those who have the fortitude to sign a petition. Government legislation leaves no alternative under these circumstances but for citizens to present a petition in order to have a secret ballot. I wonder how many people realize that this legislation has eliminated to a great extent the secret ballot.

Taxpayers should insist that the spending of their money be done by direction of a money by-law and the Mayor has a moral obligation to see that these by-laws are presented to the people at the regular fall elections so that the matter can be decided by secret ballot. If the Mayor feels that he cannot act on the wishes of the ratepayers then he should resign.

Letter to the Editor.  
Gazette.

Dear Sir:

With regard to your editorial in the Gazette of June 21, 1967 I should like to make quite clear the facts which prompted me to make the motion in Council to split the Department of Parks and Recreation into two Departments, each with their own Heads, own budgets and each reporting through the Secretary-Treasurer to Council.

1. A Recreation AND a Parks Department are both absolutely indispensable Departments in a community if it wants to survive as a community.

2. The two departments could be combined into one overall department provided the Head of this Department is a person with all the necessary qualifications: both for Recreation AND for Parks. I am not of the opinion that the present Head of this combined department is such a man and I cannot blame him as we all have our special interests and special qualifications which for him have been proven to lie in the Parks Department which he serves as an admirable Superintendent of Parks. With regard to these qualifications in the recreational field I only have to point out that the Head of the combined Department does not qualify for a Provincial Grant as our present and past recreation Directors did. Also, without a Recreation Director, the Town would not be eligible for Recreation Grants.

3. Council is unable to determine what work is done by whom in this Department as reports dealing with recreational matters are only signed by the Head of this combined Department. These reports should be signed by the Recreation Director and then submitted to Council under a covering letter from the Head of the Parks and Recreation Department. This is not done however and I made this quite clear in my brief to Council and in so doing showed that

I did do my homework in noticing the lack of information as to who is doing what in this department.

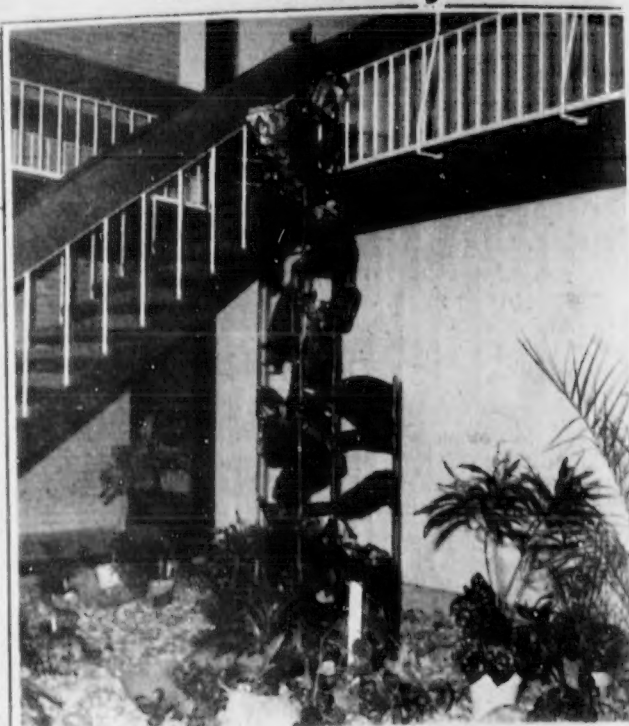

4. 75% of recreation is public relations and therefore the command of the prevailing language is an absolute necessity for the Recreation Department.

5. The Recreation Dept. is most certainly a year round fulltime job but whether this also applies to the Parks Department?

6. To credit Mr. Gate, the Head of this combined Parks and Recreation Department with taking advantage of the financial assistance which the newly enacted Provincial Preventive Social Services Act can give to municipalities, shows only that somebody did not do HIS homework. The Town did not consider this Act until last week and even if it had joined these Services earlier then the Province would still NOT have paid the 80% of the salaries of the men (who might otherwise be welfare recipients) working in the Parks Department. In any case employees should not be considered on this "might-have-been" basis but on the capable job they are doing now.

7. The basic philosophy of the Parks and Recreation Department is sound and I quote from the Manual of this Department: "The first requisite is apparent; it must be voluntarily engaged in which brings us to the role of the volunteer. "It" (the Department of Recreation) should be the silent partner that stands ready to offer any and all assistance possible when and if the need arises." - If Mr. Gate formulated this philosophy then I am quite prepared to give him all the credit due for this. However, BY SPLITTING THIS COMBINED DEPARTMENT, THIS PHILOSOPHY WILL NOT BE ALTERED and to say so is a wrong conclusion to draw from my motion. The objective is that by giving a director responsibility and authority, the Town should be able to get the best val-

## have their say

The I.O.D.E. Fountain in the foyer of the new Library drew much comment at the opening.

### LETTER TO THE EDITOR

Dear Editor:

We would like to say a sincere Thank You to the town of St. Albert for sponsoring three students to attend the Recreation Leadership School in Drumheller during July. The cost for the four week course is \$60. per student, which includes both instruction and room and board, and which the Town has provided in full.

We are also grateful to the public and protestant school boards and those teachers who supported us in this venture and to the private citizen of St. Albert who so generously offered to absorb full cost for one student. Two of us will be taking

the second year course and one the first year course. We will receive lectures and instruction in developing leadership qualities and demonstrations and work shop study in specific fields such as Playground supervision, sports, outdoor and camping recreation, arts, crafts, drama and so on. We feel we will benefit greatly from this education and we hope we may also be of benefit to the community because of it.

Sincerely,  
Maureen Ford,  
(Gr. 11 Paul Kane)  
Janet Oliphant,  
(Gr. 12 St. Albert High)  
John Bauman,  
(Gr. 12 Paul Kane)

## Spacecraft coming

Klondike Days visitors will be able to see a full-size Mercury Spacecraft, replica of the two-man capsules used in many U. S. space flights. It will be powered to simulate the movements of a capsule in flight and people will be selected at random to come aboard for an imaginary

flight into space.

Rear mounted movie projector will throw forward a picture of the earth as it appears to astronauts and a sound track will narrate "flight" progress. The spacecraft and related display panels will be set up in the Sportex building.

ue for money spent and to be able to pinpoint ability and responsibility.

8. Staff is at present not required to live in St. Albert and under the present Head of the combined Department and under the present manner of operation it will be very difficult for a recreation director to become as devoted to our Town as Mr. Gate himself is, EVEN if he would live in St. Albert. The reasons why our past Recreation (who DID live here)

resigned are still fresh in the minds of those concerned with recreation in this community.

Before a split should become effective I asked that first a budget be prepared for each Department separately. The results of this may show that such a split maybe a bit more costly but will at present certainly benefit the community which we call our Town.

Yours truly,  
J. J. Bakker.

# Town Council, June 20th

At their meeting June 20, Council considered an application from the St. Albert Creative Schools Society for the use of a "army hut". The Town last year purchased several of these structures and is presently inviting submissions from clubs and organizations interested in using these facilities. The School Society asked Council to consider their offer of a one year lease, starting September 1, 1967 for the sum of \$1000. Utilities and janitorial services would be paid for by the Society. Mr. Loyd Abram, Town building inspector, advised Council that in order to pass inspection by the Health and Welfare, Education and the Fire Departments, several very stringent regulations would have to be adhered to.

In addition to sanitary facilities for both sexes, intensive lighting and a minimum of two doors would have to be provided. Staff was asked to obtain a factual cost estimate on these required facilities. Councillor Gibbon asked that in view of the costly fixtures needed by the School the staff ascertain if the \$1000 rental fee is a feasible one. "Because", said Mr. Gibbon, "we cannot use Public Funds for something which has been turned down in a (the October '66 Kindergarten) Plebiscite". It was generally felt that not enough information was available to either deny or approve the request and that the other St. Albert organizations should also be given the opportunity to apply for the use of these Town owned buildings.

## HORSES - PHONE RATES - DOGS:

A delegation from the Small Holdings was heard by Council. Mr. V. Pavelich voiced the property owners dissatisfaction with such things as: higher monthly telephone rates than the rest of Town, in some cases as much as \$1.50 per month more, difficulty in obtaining police protection as in the case when 150 chickens were killed by dogs broken out of a nearby kennel, horses continually tramping through planted fields and lawns and the non-existence of a Highway crossing.

Regarding the telephone charges, Councillor Parkes moved this matter be brought to the attention of the Minister of Telephones as an explanatory letter received previously from A.G.T. did not give complete satisfaction. A. G. T. states that a monthly charge of 50 cents per quarter mile is added to telephone accounts outside the urban built up area. Councillor Bakker felt that since the smallholdings residents had already paid for the line by way of high installation costs, they should not still be charged extra on a monthly basis. "But", laments Councillor Donais, "that's the policy of the telephone department. You pay 50 cents per month extra for a colored telephone, after 20 years you've bought a lot of paint!"

Concerning the apparent difficulty in obtaining Police protection, May Fowler advised the delegation that whenever they feel a complaint has not been looked after properly, they should contact the Mayor, the Secretary-Treasurer or the R. C. M. P. Sergeant. "We are most anxious to see that all citizens receive adequate protection", he said. In regard to dogs, Mr. Donais suggested the S.P.C.A. be instructed to "swing down the Service Road", which should provide the same amount of dog patrol as the rest of Town. As far as the horses are concerned, the Mayor readily agreed this is a problem. Staff was asked for a report on a by-law to control horses. Delegation was advised that the complaint regarding a Highway crossing will be taken up with the Department of Highways.

## PETITION ON VENDORS -

A petition bearing 53 signatures was received by Council asking for the immediate removal of the ice cream vendors. The petitioners charged the vendors are a danger to small children dashing out into the streets and protested the noisy arrivals of the vans at inconvenient hours. Mayor Fowler thought one way to get rid of the vendors would be to impose a \$500 licence fee, much along the same lines as "Gypsies are charged, a healthy rate to read

tea-cups". In view of the fact that four ice cream trucks have already been issued a licence for this year, residents will have to put up with them for this summer. Councillor Bakker agreed the vans are "a great nuisance" and Council asked for a full report from staff and an indication of how these vans can be prohibited legally effective January 1st, 1968. Councillor Gibbon is not in favour of this. "I like free enterprise", he said.

Reporting on a recent Seminar in Banff at which he represented the Town, Mr. Gibbon noted that next year some \$4 million will be made available through the Provincial Dept. of Youth, to be divided among Alberta municipalities. This should be kept in mind, said Mr. Gibbon, and all the latest information should be obtained and made available to

Council, with a view to applying for assistance in covering the Grosvenor Parks Pool. Latest estimate for covering the pool was \$120,000.

## BUSES:

Councillor Bakker noted that the Bus Line has changed ownership again and that the equipment now in use is quite ancient. "Even a yellow School Bus has been pressed into service," he said. Mayor Fowler thanked Mr. Bakker for bringing this "very disturbing" news to Council's attention.

## PHONE FINKS . . . .

G. Parkes said when he recently made application to have a business phone installed in his Edmonton home He was also referred to the Licensing Department where he was "nicked" for a business licence fee. Mr. Parkes suggests that a similar arrangement in St. Albert could possibly result in some revenue for the Town. What this Town needs now, says Councillor Wheatley, is a "Fink at the A.G.T.", who could

Broken window at R.C.M.P. premises advise the Town of all business phone applications.

# A 1947 power penny is worth a lot more these days.

While the buying power of an ordinary 1947 penny has disappeared into near oblivion, the buying power of a power penny has doubled over the past 20 years. Today a power penny buys a 'houseful of happiness! Just look at how little it costs to enjoy the convenience of electric appliances.

Keep your estate manicured. One power penny mows a whole acre.

118 eggs fried sunny side up or over for one power penny.

A home supermarket for 5 hours for one power penny.

Your barbecue spit turns happily for 5 hours for one power penny.

A power penny and a dishwasher clean a sparkling load of dishes.

Play it cool! One power penny, an air conditioner - "the heat's off".

MORE POWER TO YOUR PENNY with today's electrical living!

## Anglican Church

### SUMMER SCHEDULE:

During July and August an 11 a.m. Eucharist will be celebrated each Sunday. The Service at 9 a.m. will be discontinued until fall. During the rector's holidays in August the service and pastoral ministrations will be in the care of the Rev. A. Hooper of St. Barnabas Church in Edmonton.

### SUMMER CAMPS:

Details of church camps in operation may be had from the Rev. C. Dawkins, 599-8373.

### SPECIAL VESTRY MEETING:

Members of vestry will be meeting on Tuesday 27th, of June to review the current church building proposal.

Carol Hanneman, Janice Mathews, Sheila Swartz, and Calvin Swane. The Class had completed a two year Confirmation Course from the Pastor, after which they wrote a comprehensive Test on all materials studied during those two years. The adults confirmed were: Mrs. Tage Anderson, Mrs. John Stack, Mr. and Mrs. Ray Chartier, Mr. James Roberts and Mr. Herbert Brige who also was baptized.

## OUTING - FAMILIES AND FRIENDS:

Friday evening, June 23, 8:30 p.m. a casual evening with families and friends of St. Albert Evangelical Lutheran. Let's get acquainted and enjoy each others fellowship.

## SENIOR AND JUNIOR CHOIR CONCERT AT ARMENA - ALBERTA:

A number of cars, of families and friends of St. Albert Evangelical Lutheran, some 70 persons in all, in the afternoon of Sunday, June 11, travelled to Armema, Alta. to present a Joint Junior - Senior Choir Concert at the Lutheran Church there. Enroute they stopped for a picnic and weiner roast. They performed before a packed Church, and the Concert was sponsored by the Local Brotherhood, Mr. Norman Moe acting as Chairman.

## Lutheran Church Notices

### CONFIRMATION DAY:

Sunday, June 11, 1967 was Confirmation Day at St. Albert Evangelical Lutheran. The Seniors confirmed were:

Be sure you look at both sides of the distinctive (?) new signs at either end of Sorrel Crescent. The folks on this crescent are always coming up with something original and this latest project will provide all visitors with a laugh, as well as drawing attention to their street.  
Gazette Photo.

## New signs mark Sorrel Crescent

Led by the magnificent drumming of Denny Baker, the citizens of Sorrel Cresc. on Sunday morning, June 18, staged a march around the crescent ending with the erection of street signs. The march was relatively smart and orderly, although at times did resemble Napoleons retreat from Waterloo

It can now be said that Sorrel Crescent has very distinctive street signs.

The stately ceremonies were followed by a weiner roast at Lions Park.

The day was enjoyed by all and marks another of the many activities planned by the Crescent to celebrate Centennial.

## Student wins essay prize

A student from George Simpson was awarded a lapel pin and hand-lettered certificate as a division winner in the Annual Farm Safety Essay Contest, sponsored by the Alberta Safety Council. Norman Kratzberg is a Grade 6 student of Mrs. P. Kittitz and this is his winning essay:  
Family Travel in Centennial Year.

A week before the children got out of school for their summer holidays, the Miller family decided to go to Banff. The next day after school, the Millers went to a shop in town where you could rent a trailer. The Millers rented a huge expensive trailer. All that week the Millers were packing and making sure they had everything. While the kids and Mrs. Miller were packing Mr. Miller was out getting

When everyone woke up they started to nag Dad. After about twenty-five minutes of nagging their dad said the next person who talks gets a spanking. Then ten minutes later they came to a tipped over car. They stopped and got out. They saw a tipped over sign that said "Do Not Enter" and a bunch of deep bumps. On the way back to their car their dad said "I think our car would have been like that if you hadn't stopped nagging. There dad also said that accident could have been prevented if the driver was looking where he was going.

For the next half hour everyone was minding their own business. When they arrived at Banff, the children took a swim while the parents had a bite to eat at the Voyageur Inn. There were two children about five in the

## St. Albert 100 Years Ago

In this feature, the Centennial project of Mr. Jim Drysdale whose object is to present a picture of St. Albert as it was 100 years ago, we continue the series of articles from Katherine Hughes book, based on Father Albert Lacombe's personal Journal. Last week's account told how he rescued a Sarcee girl and brought her to safety in St. Albert in the year 1867. The good Father now enters a period of many troubles:

## Historic

## St. Albert

After leaving the girl at St. Albert, Father Lacombe returned to St. Paul and evidently had a hard time for several weeks, because the Journal -- like old Hudson's Bay journals in northern posts -- records little else but cold, sickness and trouble. There were few fish to be had; the wolves ate his horses; Indians about the mission fell ill, and the little house was turned into a hospital with as many as ten patients at once.

In November Alexis the famous was sent to St. Albert for horses. The Journal relates with obvious pathos that after being a very long time away from the mission, because of severe weather Alexis returned with only one horse! And of what use was one horse for the new surprising enterprise which Father Lacombe planned?

During the past summer he had designed a house - tent and his heart was set upon celebrating Midnight Mass for his Indians in this ambulant chapel; but it was too heavy for the dogs to haul to the prairies. Father Lacombe finally succeeded in buying another horse from an Indian, and he and Alexis set out proudly for the plains. The Journal's meagre entry for the rest of December was a note of severe cold and snowstorms.

But the simply-worded and more lengthy entry for January, 1868, is pitiful in what it conveys between the lines. Like all the other items of this smoke stained Journal it is in French and reads:

"JANUARY, 1868.

"This voyage and mission of Pere Lacombe have been very trying, not because of so much work among the Indians but chiefly for the great Fast which he and his companions endured during twenty days; they having nothing but some mouthfuls of dirty and disgusting nourishment to eat, and that only at night after having tramped all day in snow, sometimes above the knees.

"Notwithstanding these adversities the Father was able to visit and see all the Christians of this mission. They were found scattered at different points of the prairie in the hope of falling in

with buffalo -- and these were not numerous this year. It was opposite the Nose Hill that the Father made this mission.

"The house-tent went well enough -- the Father being able to accommodate fifty to sixty people in it for the services."

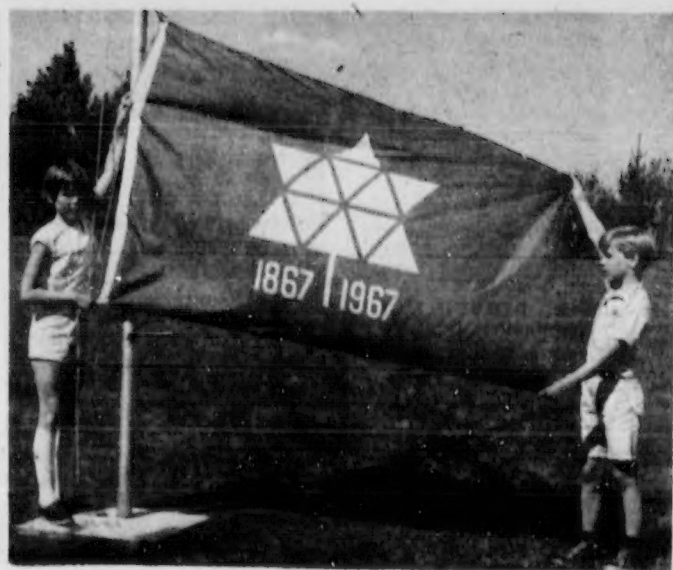

At the outset Father Lacombe's mind was greatly occupied by his house-tent, the newest idea evolved from his fertile brain and one with which he hoped to astonish and delight his nomads.

For years the French priests in the west had plodded along as best they could with nothing better than a skin tepee. But if there was a brisk wind it

was often impossible to celebrate Mass in a tepee, because the smoke circled about the lodge half-way up and filled the throat of a man standing.

Once Father Lacombe had to celebrate Mass on his knees to avoid the smoke. Another day at the elevation his crucifix hanging to the tent above his head plunged into the chalice.

To avoid any such accidents he had designed his house-tent of leather. He bought fifty-tanned buffalo skins from Indians at St. Paul. With twenty poles as big as his wrist in circumference and with

Terri and Doug Webber display their beautiful blue and white Centennial Flag which they won in the Centennial Quiz, before raising it on the flagpole in their yard at 5 Grange Drive.  
Gazette Photo.

## Kids win flag in Quiz

Two youngsters have turned in a winning answer in the Centennial Quiz contest arranged by Mr. Jim Drysdale as part of his historical project. Terri and Doug Webber have been presented with a beautiful Centennial Flag, now flying above their home at 5 Grange Drive. Here is their letter in answer to question number two of the Quiz:

"If I was living 100 years ago and I had to mail a letter I would send it to Father Lacombe Mission, St. Albert Ruperts Land, Canada."

Quiz questions still to be answered for a Flag award (sponsored by Safeway) are repeated here and the contest is open to all readers: Best answer to any of these remaining questions wins a flag award!

### CENTENNIAL QUIZ

How many people were living here in 1867?

Where was Father Lacombe January 1st, 1867?

Were there any white women at St. Albert in 1867?

Were the Indians peaceful? Was Edmonton a bigger settlement than St. Albert?

Iron pegs got from the Company's blacksmith at Fort Edmonton he contrived to pin the frame of his house together and then fasten the peaked roof upon it. The dimensions of the house-tent were 25 feet by 15.

The buffalo skins were shaped to make a deep covering secured about the base with banks of snow. This last convenience served two purposes -- it held down the walls and kept out the thieving Indian dogs, which were -- he gravely stated once -- "just bands of devils!" He had with him besides a small camp stove as heater.

With Alexis and all this paraphernalia he started out on December 4, 1867, from St. Paul, his two horses drawing the equipment and an aged destitute Blackfoot woman who had been thrown on their mercy at the mission. Under her tuition Father Lacombe hoped that winter on the prairie to increase his knowledge of the Blackfoot tongue.

He had a fresh reason for this study; he was planning for the next summer a coup d'Etat to be followed by a vigorous campaign of Christianity among all the warlike, stubborn southern tribes.

Provisions formed but a small part of the equipment on leaving St. Paul, for the supplies there had been about consumed by the sick Indians maintained through the autumn. They had some frozen fish and pemmican -- enough in all to last them a couple of days on their journey to a camp of Crees near the Battle River.

There was no trail broken; the snow was deep and progress was slow. The second night, as they were deciding to camp, they saw a thin smoke rising from a clump of trees nearby. They went to it, and found a group of eighteen miserable Indians -- men, women and children -- "only skin and bones, almost starved. For many days not a mouthful of food -- poor people! Mon Dieu, but they were miserables -- so thin, and the children too weak to play or cry!"

They answered listlessly to Father Lacombe's questions but their very looks seemed to ask him what he would do for them. They had come down from the wooded country, where they had had no luck all autumn. Neither fur nor food had been found in any quantity, and they were looking for their kinsmen on the plains. They had eaten their horses and dogs. They were now at the end of human endurance.

## Local Students Now in Quebec

Fourteen students of St. Albert High School, accompanied by teachers Mr. J. Curilla and Mrs. M. Kaminiski, left June 22nd on an Exchange Student Project with Richmond, Quebec schools, (St. Francis High, Notre Dame High and Ecole Notre Dame). Sponsorship of the financial aspect of the project is through the Federal Centennial Commission the students, the Chamber of Commerce and other local organizations.

The students will be away two weeks which gives them ten days in Quebec after travelling time. Two days will be spent visiting Expo, when the young people will commute from St. Hubert, Quebec. For the other eight days they will be guests at the homes of their Richmond hosts, who have planned a number of interesting side trips and activities for them. They will visit Quebec City, enjoy an outing at a lake, be guests of honor at a Civic

Banquet, have an evening of dancing with the Richmond students.

On July 3rd they leave on their return trip via C.N.R. and will be home in lots of time to get ready for the return visit of the Richmond students who arrive in St. Albert on July 18th, when parents of the host students will meet them at the C.N.R. station. Banquets, dancing, side trips, Klondike Days and a three-day tour of the Banff-Jasper region have

been planned for the visitors while here.

The St. Albert students, who have now been to Expo and gone on to Richmond are: Kerry Cassidy, Rose Marie Banack, David J. Borle, Simonne-Bourgeois, Patricia Dauphinais, Patrick Deutscher, James Maloney, Dianne McDonnell, Rita McDonnell, Jo-Anne Ricard, Roseanna Ricard, Barbara Savoie, Lina Soetaert, Barbara Bambush and Judy Whitton.

Write for "Your Tensions and How to Live With Them" to CMHA, 619 Revillon Bldg.

# TOWN COUNCIL

Continued from page 1

Treasurer will be requested to make a recommendation to Council on the continuation or otherwise of a combined Department.

**EQUALIZED ASSESSMENT APPEAL:**

Council passed a resolution that in order to facilitate a review by the Alberta Equalized Assessment Board, the Town withdraw its Equalized Assessment Appeal. Ratepayers will be assessed at the 1966 level this year, and a new equal-

ized assessment will be set. The 1967 general assessment being deferred one year.

**COUNCIL BRIEFS:**

Councillor Bakker, who says he does do his homework, while going through some old minutes found that in June 1966 Staff was asked to prepare a By-Law amendment prohibiting audible devices on motor vehicles (such as ding-dongs on Ice Cream Vans) It's been a year said Mr. Bakker, wondering how staff is making out, and asked for a progress report on the requested By-Law. "Only solicitors are allowed

to take so much time", commented Mr. Wheatley.

Council gave three readings to and passed the By-law to enter into a Preventive Social Services agreement with the Provincial Government.

Mr. Don LaBelle of the Knights of Columbus accepted the Mayor's and Councillor's cheques towards the Knights Centennial Project, the purchase of a Handi-Bus for St. Albert.

Councillor de Bruijn said he has noticed "an alarming number of N.S.F. cheques coming through on Utility

Bills." Mr. Billings said the Town allows two such cheques per customer, after that only certified cheques are accepted. Councillor Wheatley has a much more drastic solution. "Shut the water off", he said.

Councillor Bakker, who seems to have taken on the job of "Bus Inspector" reports that one morning he saw a bus standing in front of his house for quite a long time. Upon investigation he found the Bus had run out of gas.

Councillor Donais took a great deal of pleasure in

presenting the Mayor with the annual Curling Rink cheque. Mr. Donais noted that the Town-owned building is starting to deteriorate and asked Staff to prepare a cost estimate for repairs to the eastern exterior portion.

Commenting on the present Library hours, Councillor Gibbon said he felt the Building should be more available weekday evenings. He said the Wednesday hours, from 2-4 p.m. are "impractical" since 60% of the Library users are children who are in school in the afternoon

The ST. ALBERT POST OFFICE will be closed a day Saturday, July 1, no letter carrier delivery or street letter box collections will be made.

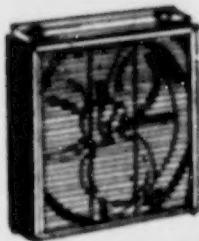

The Post Office will be open for normal business, Monday, July 3.

The Library Board will be asked to comment on the hours.

Councillor Wheatley was appointed Finance Committee chairman, a post vacated by Mr. Bob Parkes.

## Morinville Memos

The "BIG SHOW" of the year is over and congratulations to the Frontier Daze Committee for the biggest and the best Frontier Daze celebrations ever held in Morinville. Roger Champagne is also to be commended for the most impressive parade ever to travel through the streets of the town. It was a successful community project.

Miss Louise Craig, motored to Vancouver, accompanied by her maternal grandparents Mr. and Mrs. L. Forcade of Legal, where they will visit Victoria Island and holiday at the West Coast.

Morinville was happy to welcome back recently, Mr. Hubert Fuchs and family from Sydney, Australia. Mr. Fuchs is the son of Mr. and Mrs. Barney Fuchs. He was accompanied by his wife and five children, who are on a round-the world tour. More details about this outstanding travelling family next week.

Mr. and Mrs. Tom Campbell had the pleasure to welcome Mr. Campbell's two sisters from Ontario, who celebrated Frontier Daze in Morinville. Sister Mary Elizabeth, Administrator of St. Joseph Hospital, London, Ontario, and Miss Alice Campbell, R.N. from Tilbury Ontario, on Saturday, June 24th. This was the first time that the complete Campbell family had a reunion since 1945. The only flaw in the whole happy day, was the fact that Jimmy Campbell broke his arm in two places the previous day, while playing at Sandy Beach.

On Tuesday, June 20th the Morinville Fire Brigade, rushed to the Ed Vervynck farm where a flash fire in the kitchen gutted a good part of the lower floor of the house. According to Mr. Vervynck, the cause of fire was a pan with grease heating on the stove that became overheated. Repairs on the house will begin shortly, according to present plans.

Mr. and Mrs. Nap Brisson were hosts recently to their nephew, Mr. Gilbert Brisson from Montreal and St. Jean P.Q., accompanied by three university companions, Michel Brousseau, Denis Bourret and Robert Langlois who are touring America on a photo taking tour for Expo 67. They left Montreal May 24th, crossing to the U.S.A. then travelling from Maine to California. Then from Seattle to Victoria B.C. then back through Banff, Calgary, Edmonton on their way back east.

The four travelling ambassadors expect to return to Montreal by mid July. All are graduates from Quebec and carried letters from

Premier Daniel Johnson of Quebec and Mayor Jean Drapeau of Montreal. They were most impressed by the Grand Canyon and Disneyland in the States. In Canada, the Rockies, Banff and the vast expanse of prairie were real eye openers for them.

Morinville I.G.A. Store is sporting a new stucco finish and new paint decor, which makes the premises look larger and very neat.

The residence of Mr. and Mrs. Arsene Riopel is very attractive with its white and blue finished picket fence.

Word was received this week, that David Middleton a former resident of Morinville and Honour student graduate from Thibault, who won the first Alberta Hotel Association Bursary in Morinville, has received a high promotion in his work, and has left for Tulsa Oklahoma, U.S.A. where he will continue in oil research work for Pan American Oil Corporation. Mr. and Mrs. Middleton will reside in Tulsa. Mr. David Middleton is the son of Mrs. Fay Middleton of Morinville.

Mr. Emile Morin manager of the Co-op Store in Morinville, has announced that starting July 10, the Morinville Co-op Store will remain closed on Mondays and will remain OPEN EVERY WEDNESDAY - ALL DAY, from 9 a.m. until 6 p.m. for the convenience of those who wish to shop in Morinville.

A truly International boat ride is enjoyed by visitors to Waterton Lakes National Park in southern Alberta, for a motor launch travels into the adjoining Glacier Park in Montana.

## Record Crowds Morinville Frontier Daze

Centennial Frontier Daze celebrations last Saturday, and Sunday drew record crowds on both days. Favoured with ideal weather, the mammoth parade on Saturday morning, with 97 entries had some 5000 spectators lining the streets. Each afternoon huge crowds milled around the sports grounds. On Sunday evening a two hour long live program at the bandshell featured entertainment of high calibre with Frontier Jane and Les Girls from Morinville being a favourite attraction, and other groups from Bon Accord, Legal, Riviere Qui Barre, St. Albert and Morinville.

Father George H. Primeau, on Sunday evening commented: "I am satisfied with the results and for the work done on the grounds by the crews. This is only the beginning in facilities, entertainment and attractions. There will be a plan made for a bigger and better program for next year."

Mr. Vincent Curtis, chairman of the Centennial Frontier Daze Committee remarked: "The standard of the parade was outstanding and the quality of entries is improving every year. We were very fortunate in having excellent weather for both days. The co-operation of all the people was excellent and all this contributed to a very successful 2 days. However we are planning a bigger and better celebration for 1968".

Mr. Roger Champagne was in charge of the parade. Mr. John Saunders, was the official M. C. assisted by several other announcers. Mr. George Lavallee was Chef at the Foods International booth, assisted by a group of ladies.

The Pioneer Cabin convened by Mrs. Florence Vranas, and hosted by a group of pioneer ladies, featured a good assortment of antiques, among them was an old home organ, over 100 years old, brought to Alberta by the Kieser family. An old black cast iron stove, from the Saunders family. Handmade cradle from the DeTennancourt family, and several pieces of household furniture from the Boissonnault family, just to mention a few.

The Texas Barbecue, with Mr. Ubald Chevalier and crew in charge of 800 lbs of beef in a pit, was an outstanding success again this year with some 1,200 guests partaking of the delicious gourmet dish. Mrs. Rita Charest and her ladies served some 500 customers special Frontier Daze Mulligan Stew on Sunday evening.

Both dances attracted capacity crowds, and the crowning of Miss 1967 Frontier Daze was the highlight of the first evening. Mrs. Lorette Champagne is to be complimented for the success of the Queen's contest and Mrs. Lil' Boddez for the lovely stage decor which was a perfect setting for the grand array of five contestants. Mrs. Angela Montpetit was in charge of the First Aid Station.

Throughout the two days the Cool Spoolers 4-H girls, gave good babysitting service in the Old Morinville Community Hall.

The winners of various prizes during Frontier Daze celebrations were:

Mrs. Paul Brochu, who chose "Heritage Lake" in the lake name contest, sponsored by the Morinville Town Council Mrs. Brochu donated her \$25. prize to the Frontier Daze Committee. Bonanza gate prizes: Mrs. Doris Found and Mrs. Jeannette Krauskopf, both of Morinville. Winners of Centennial Silver Dollars were: Mr. Roch de Tennancourt, of Edmonton; Mrs. Helen Caron of Edmonton; Mr. John Killan of Morinville.

In the sports events: Baseball winners among the eight teams were Barrhead, Vimy, Limeria and Morinville. Other teams in competition were Clyde, Legal, Bon Accord and Gibbons. In the soft ball girls tournament with nine teams, top prize money went to Gibbons, against Morinville. Riviere Qui Barre placed third and Namao fourth. Other teams playing were Villeneuve, Busby, Legal, Fort Saskatchewan and Vimy.

In the parade St. Albert placed first with their "Bridging 100 Years" Centennial Float. Second prize winner was the A.C.F.A. entry depicting the theme "Strong Spokes - Strong

Wheels" and the third prize was won by the "Dames de St. Anne" depicting another Centennial theme, "Dave Crockett - King of Frontier Days 1867; Father G. H. Primeau, King of Frontier Daze, 1967".

Honorable mentions are certainly warranted by the following entries:

M. D. of Sturgeon, Belmont Agencies, Morinville I.G.A. and the Morinville United Church as well as "Les Filles de Jesus" Centennial Cake Float.

Some 80 entries were registered in the Horseshoe tournament with double and single plays.

Mr. Arthur LaLonde of Morinville who has held the

Steffes Horseshoe trophy since 1960 was defeated by Jim Cust in a close play in the single competitions. In the double competitions, 1st event winners were O. Chevalier and Noel Meunier VS George Thompson and Gerry Lawrence of Edmonton. 2nd event double winners were Ron Macconghy and Jim Cust VS Neil Anderson and Bernard Chalifoux.

There was a full complement of carnival attractions and the food was excellent in all of the new modern booths. The whole setting was riot of colour of the new painted buildings and the Frontier Costumes added the final

Description of Land	Compensation Offered
1. S.W. 13-56-22-4, T 58-B-208	\$552.75
2. S.E. 13-56-22-4, T 58-B-208	\$552.75
3. S.W. 18-56-21-4, T 72-L-179	\$852.50
4. S.E. 18-56-21-4, T 80-S-159	\$3,462.25
5. N.W. 7-56-21-4, T149-K-203	\$275.00
6. N.W. 11-56-23-4, T138-F-67	\$2,033.50
7. Pt. S.W.14-56-23-4, T152-M-219	\$500.00

The Municipal District of Sturgeon No. 90, proposes to expropriate the above described lands for the purpose of road widening and construction and is prepared to pay compensation in the amount as indicated above.

On July 13, 1967, at 2:00 P.M. in the Council Chambers of the Municipal District of Sturgeon No. 90, Morinville, Alberta, a By-Law will first be presented to the Council to authorize the expropriation of the aforementioned lands.

A plan of survey No. 112-97 M.D. of the lands to be expropriated is on file in the Office of the Municipal District of Sturgeon No. 90, at Morinville, Alberta, and the plan is available for inspection between the hours of 8:30 A.M. and 4:30 P.M. Monday through Friday.

Before enactment of the By-Law, the owners of the lands to be expropriated are entitled to make representation to the Council and set forth their reasons why the lands should not be expropriated.

If compensation cannot be mutually agreed upon for the lands to be expropriated, then the amount of compensation will be ascertained by the Public Utilities Board at a future date.

AT

### MORINVILLE

RECREATION CENTRE  
15 Games - \$1.00  
GROS LOT: \$500.00  
Sponsored by:  
Morinville Recreation  
Youth Committee.

MR. AND MRS. GUY VAN BRABANT.

St. Emile's Church in Legal was the scene of a beautiful summer wedding recently when Miss Irene Boisvert daughter of Mr. and Mrs. Pierre Boisvert of Legal exchanged vows with Mr. Guy Van Brabant son of Mr. and Mrs. Aime Van Brabant from St. Paul.

The triple ring ceremony was performed by Father Houde before an altar decorated with baskets of yellow mums and white glads.

The bride given in marriage by her father looked radiant walking down the aisle in her floor length gown of French crepe, styled with long lily point sleeves with lace appliques, a graceful A-line skirt and featuring a lace bordered detachable train gathered at the shoulders.

Her chapel veil of nylon tulle was held in place by a crown set with pearls and crystals. She carried a cascade bouquet of red roses with tiny white stephanotis. Her jewellery was a delicate pearl pendant.

Bridesmaids were Miss Pauline Van Brabant, Jacqueline Van Brabant sisters of the groom, Marie-Claire Routhier from St. Paul and junior bridesmaid Yvette Boisvert, sister of the bride wore identical short length powder blue dresses with lace bodice and semi gathered skirts, white gloves and rhinestone tiaras. They carried nosegays of white carnations and red roses with long ribbon streamers.

The groom's attendants were Mr. Leo Boisvert,

Maurice Boisvert brothers of the bride and Mr. Raymond Van Brabant brother of the groom. The ushers were Emile Baert and Remi Van Brabant.

The wedding music was played by Sister Corriveau and the soloists were Mr. Arthur Morin and Mr. Victor Douziche.

For her daughter's wedding Mrs. Boisvert chose a medium blue ensemble, a lace coat over matching sheath dress with white accessories complemented by a corsage of pink roses.

For her son's wedding Mrs. Van Brabant wore a soft pink lace dress, white accessories and white roses on corsage.

Following the ceremony a banquet for some 300 guests was served at the Community Centre with Mr. Charles Ouelette as M. C. The toast to the bride was given by Mr. Lucien Ouelette of Lethbridge.

The head table was centred with a 3 tiered wedding cake decorated with pink roses and silver leaves.

A reception and dance followed with 400 attending.

For going away the bride chose a turquoise linen two piece suit with matching accessories.

Continued from page 9 touch of perfection.

The Morinville Fire Department, under the able directorship of Fire Chief Raymond MacDonald, gave the final flair with a brilliant display of fireworks which meant "Thank You and Au revoir till next year."

## Legal Locals

A number of people from Legal enjoyed the pancake breakfast parade and other Frontier Daze activities in Morinville last weekend. "Hope we get the same warm temperature on July 29-30 for our "Fete Au Village".

Mr. and Mrs. Anton Lest- ar and Peter have moved to Slave Lake where Mr. Lestar is employed. Mr. and Mrs. Leon Brisson and family have moved from Edmonton into Mr. Lestar's residence. "Welcome Back".

The community would like to express their deepest sympathy to the Holzer family on the recent death of their father Mr. Mike Holzer.

A reminder to all the Ladies of Ste. Anne of the community and the surrounding parishes that the Diocesan

Congress will be held in Legal on July 5th at the Community Centre. Names of those attending should be given by July 29th.

Mr. and Mrs. Germain Auger, Gerard Demers and Raymond Rivard left last week for Expo. They will also visit Mrs. Auger's sister and brother-in-law Mr. and Mrs. Leo Boisvert who is stationed in Montreal with the R.C.M.P.

Mr. and Mrs. Remi Prefontaine are receiving congratulations on the birth of their daughter. Charlotte Pearl was christened by Father Claude Prefontaine, of Mayerthorpe.

Since the sponsors Mr. and Mrs. McCarthy of Montreal were unable to attend they were represented by Mr. and Mrs. Rene Shank.

## Lorraine Rivard feted

Sunday afternoon Miss Lorraine Rivard was feted at a shower in the Community Centre with some 100 ladies attending.

Lorraine looked very attractive in her yellow oganza bold print dress with high rolled collar and long sleeves complimented by a corsage of white roses.

The hall was tastefully decorated in sweetheart theme, inverted suspended umbrella filled with beautiful flowers centred the stage where all the gifts were placed.

The head table was decorated with red roses and the name of our guest of honor "Lorraine" written in big silver letters on the tablecloth and a beautiful bride doll holding a bouquet of red roses centred the table. Seated was the guest of honour, her mother Mrd. Eddy Rivard, the future groom's mother Mrs. Allan Keane, her three future bridesmaids Misses Jeannette French, Maymie Keane and Lee Perreault.

A variety of new and different games were played and enjoyed tremendously by everyone.

Miss Rivard thanked the hostesses (her future bridesmaids) and her mother for preparing such a lovely

afternoon and everyone for showering her with all those useful gifts.

A delicious lunch was served and a piece of Lorraine's "Best Wishes Cake", decorated with tiny colored flowers and toy umbrellas was served to all the guests.

Lorraine will be married to Patrick Keane on July 15 in St. Emile's Church at Legal.

## Namao news

Get well wishes are extended to Mr. Archie Junkin who is in the Royal Alexandra Hospital.

The Namao United Church held its annual Sunday School picnic on Sunday, June 25 at the church.

Congratulations are extended from the district to Mr. and Mrs. Ron Nelsen on the birth of a baby girl on June 23rd.

The Namao Girls Baseball team played in a tournament at Morinville on the weekend. They defeated Legal in the first game but were defeated by a score of 15 - 8 by Gibbons in the second.

## Students help shower teacher

Miss Alice Dionne, grade 4 teacher, was honoured last Tuesday at a miscellaneous shower held at the residence of Mrs. Leo Regimbald with twenty-five ladies present and also her grade 4 pupils (girls) accompanied by their mothers.

As Miss Dionne entered the living room everyone sang "For She's a Jolly Good

Teacher". Several games were played and a few sing songs enjoyed by all.

Miss Dionne thanked the hostesses Miss Paulette Regimbald and Mrs. Roger Caouette for preparing this lovely surprise shower in her honour, and for all the useful gifts given to her. To end the evening a delicious lunch was served.

Miss Dionne is the bride elect of Mr. Maurice Potuin of Picardville.

They will be married at a church wedding in St. Paul on July 29th.

## goodbye to Caouettes

On the evening of June 21st some 175 friends and relatives gathered at the Legal Community Centre to bid farewell to Mr. and Mrs. Roger Caouette, the Caouette family have purchased a new home in St. Albert. The evening was spent dancing and reminiscing. An address was read by Mr. Lucien Montpetit reviewed the many activities of the couple and how well Mr. Caouette served the public in his business and their devotedness to the community.

A presentation of Samsnite luggage was made to the departing couple to which both replied.

The evening was brought to a close by a delicious lunch.

## Namao Drowning

A drowning accident was reported to St. Albert R.C.M.P. Monday evening in which Charles Sichkaryk and his 11-year old son drowned while trying to help another son Donald, 12, who fortunately got out safely. The tragedy occurred in the Sturgeon River near Namao; where the father and his sons had gone to fill water barrels for livestock.

## Important Notice to Ratepayers

M.D. OF STURGEON NO. 90, CENTENNIAL PROJECT:

The Agricultural Service Board, in conjunction with the M. D. Council, is to landscape and dedicate a special park, south of the Administration Office, to the Agricultural Pioneers of this Municipality. The names of pioneer families will be inscribed on plaques attached to a Centennial Memorial which will be erected in the Park. This honorary scroll will bear the names of farm families who were established on farms in this Municipality prior to and including the year 1900 and said families or direct descendants who still reside and actively farm in this Municipality as of this year.

We are requesting the co-operation of every ratepayer to submit to this Office, the names of farm families qualifying under the above mentioned conditions and that with the names submitted, sufficient proof is provided to justify the inscription.

The Board, Council and Office Personnel are not to be held responsible for any omissions of farm family names. We are therefore soliciting every ratepayer's co-operation to submit qualifying names with sufficient proof prior to June 30, 1967.

Anticipating receiving your full co-operation, we thank you.

Alphonse Nobert,  
Secretary Treasurer.

## Breakdowns squeezing your profits?

## Keep machinery on the job with our Texaco Farm Products

Breakdowns mean downtime—for both men and machinery. They cut into crop yields—and profits.

Best way to avoid breakdowns? Texaco farm products—timely service and lubrication for every piece of

equipment on your farm. They help you increase equipment life and cut maintenance costs... decrease fuel consumption... keep equipment on the job.

Protect your machinery with the finest petroleum pro-

ducts—from Texaco: Marfak Lubricant, Havoline Motor Oil, Multigear Lubricant EP, Regal Oils for hydraulics, Fire Chief gasoline.

If you're not using our Texaco Farm Products, let's talk it over.

## Local man enjoys Antique bus

St. Albert's Bill Learning of Gordon Crescent gets a lot of pleasure out of his 1929 Chev. Bus and the Antique Car Club, a favorite hobby which has introduced him to many other car buffs and led to a lively interest in early car history.

Back in 1913 two of these models were built in Canada - just two. Stamped on the dashboard was the legend "International Model". One model ended up in the scrap yards, and no records on this one are available from May 1929 until it turned up in Whitehorse in 1954 and was purchased by Ernie Armitage, owner of the 98 Hotel there, for use as a station bus. Mr. Armitage supplied a good portion of the guns in the Molsons Edmonton House collection - a second antique interest.

When Armitage decided to go to the Barbadoes in 1962, Bill Learning who had had his eye on the bus for two years, was able to get hold of it.

Here is the only 1929 Chevrolet 10-passenger bus in existence, decorated for the Rodeo Parade, where it won the "best car" section. Passengers are driver Bill Learning and daughter Mary in front, Mr. and Mrs. Alphonse Alain, second row, Caroline Learning, 3rd row and Mr. and Mrs. Leo Alain in back. Note Antique Car Licence No. 73 - these special licences are now running up in the four hundreds. Mr. Learning also has the original 1929 licence plates. Gazette Photo.

He has since been able to find out that the bus was originally shipped cab and chassis to Vancouver, where the firm of Tupper and Steele did the custom-built body. Original motor and factory shims are still in use, and he has reason to believe the tires may be the original ones. The front ones are 30 x 5 (550 x 20 nowadays) and the back are 32 x 6. The tread (diamond) formerly used on all Goodyear tires, extends onto the wall of the tire which dates it well back.

The engine is a 31 Auburn Straight 8 Lycoming (Lycoming now builds aircraft), and the six-cylinder motor is one of the first sixes

built by Chevrolet in 1929. All Bill has added to the car is king pins and side curtains.

Bill is a member of the Antique Car Club and has made every run (annually from 1963) in the Hinton Antique Car Derby, sponsored by the Hinton Chamber of Commerce. The bus comfortably carries his family of 8 children, plus the dog on picnic jaunts, and runs nicely along between 45 - 55 miles per hour.

If he could find a sponsor he is confident he could make the Antique Car trip to Expo in July, when a cavalcade of members across Canada will drive their Antique Cars the distance.

Student wins essay  
Continued from page 7

deep end. Allen woke the parent of the children up and asked him why he wasn't watching his two kids. There good enough swimmers so I decided to take a nap. Fifteen minutes later Allen was getting out and one of the children screamed "Help". Allen dived in, pulled out the child and gave him artificial respiration. The child's dad woke up and asked what happened? Allen explained to him what had happened. The child's dad was very grateful for what Allen did.

Allen went back and got dressed. When he came out his dad was waiting for him. They went down to a sandy place by the river and parked the trailer. They parked the trailer next to a tent and put the stove together and set it up outside. Dad put their equipment and the two boys' sleeping bags in the tent. The four girls, Mom and Dad slept in the trailer while the two boys slept in the tent. The next afternoon the family went on a picnic. After the picnic they put out the fire properly and cleaned up the mess.

It was windy when they got back. Allen looked out the window of the tent and saw a fire still going. He ran outside, grabbed a bucket of water, and drowned out the fire. Later that evening, the owners of the tent came back. Allen, Mr. and Mrs. Miller went out and told them what happened. They thanked Allen for stopping the fire for it could have spread. For the next four days they had lots of fun. The next day they packed up and put everything away. That afternoon they left. On the way home they came to a valley. They got out to get some fresh air. Dad said that accident could have been prevented if they would have had their hook checked. Dad was glad he got his checked.

A little further up they saw a car stalled. They saw it had a flat tire, and run out of gas, and a burned out spark plug. "That accident could have been prevented if he had got his car checked" his tires checked and a hinge put on at a service station. All that week Mr. Miller was practicing how to drive properly, because he knew that driving with a trailer was much more difficult. Mr. Miller also went to a shop where you could get camping utilities. He bought a small tent for the two bigger boys to sleep in, and all the equip-

ment they would need to have fun. From there they went downtown to get the two boys and four girls fitted out for bathing suits and all the equipment to have fun on the beach. They got shovels and pails, tire tubes, sea horses, pumps, and dingys. When they had finished they had practically gone all over town. Then Allen came up and asked Dad for some comic books for the trip. After Allen got the comics his Dad said "No more, I'm

practically broke now." On Monday the first day of our two and a half month holiday they left. On the way there the four girls were talking about what they were going to do. Allen was reading comics with his brother. Then everyone got tired of what they were doing and went to sleep.

When they got home their Dad said, "All of those accidents could have been prevented it was just carelessness of the people".

## Library progresses in Morinville

Progress may appear to have been slow, but things are being achieved in the Morinville Library project. Maybe the new sign which is now in position has been noticed, also the new drapes which are adorning the windows.

Frontier Daze has rather over shadowed the library work of late, but greater progress is anticipated after the 25th of June.

A number of new childrens books have arrived, and more adult books are to be ordered, including books on gardening, cooking, science know-how and do-it-yourself projects.

Tables and chairs are to be purchased for the greater comfort and convenience of the future patrons.

Gazette Photo.

## Recreation News

### SWIMMING POOL

The pool schedule will be altered during July and August and patrons are reminded to watch the notice-board at the pool for changes. The schedule, altered, incidentally, due to public demand will be published in the Gazette next week.

Instruction will take place in the mornings - except for the adult classes which will continue to be held at 9 p.m. Royal Life Saving Society classes will also be offered as well as Competitive Swimming, Synchronised Swimming and Diving. Those interested in Water Polo should make enquiries at the Pool. Any enquiries regarding the

other classes can be made either at the Pool or at the Parks & Recreation Administrative office, Town Hall, phone 599-6601, extension 35 or 36.

### SENIOR CITIZENS

The Senior Citizens held a Tea and Bazaar in the Roman Catholic Church basement on Friday, June 23rd. The tea was a success despite the small attendance and many friends came from Edmonton.

Thanks are due to the ladies who did such a wonderful job as hostesses for the occasion and a vote of thanks is due to the Youville Sisters for their generous contribution to the lunch. Everyone

### TENNIS PLAYERS

Official opening of the Tennis will not take place on Sunday, July 2 as previously announced. Another date will be arranged shortly.

Persons wishing to enter the St. Albert Town Crest contest are reminded to submit their entries to the Parks and Recreation Dept. Town Hall, St. Albert, before June 30th, 1967.

### For Sale

12 ft 4 inch New Plywood Boat never used. 5 H.P. Motor - 10 hours Factory trailer for only \$225 cash. Phone 599-8682

# Morinville Stages Big

**MARSHALL OF THE MAMMOTH PARADE** - Mr. Roger Bourbonnais, national hockey player from Morinville and his charming wife, Jeannette. Mr. Bourbonnais is the son of Mr. and Mrs. Renee Bourbonnais of Morinville.

**ON THE PROMENADE SATURDAY MORNING** - Left to right: Mr. and Mrs. Joe Teller, Mr. Frontier Daze; Rev. Father George Primeau, enjoying a cup of coffee and Mr. Floyd Volrath in charge of the free street breakfast.

**WHAT IS THAT?** The Ricard boys from Morinville demonstrate an old engine, and old wood saw and wood chopper in action. Pictured are: Andy Ricard of U.F.A. Service, Roland Ricard, Ambroise Ricard and Emile Ricard. The whole outfit is presently owned by Hermidas Boissonnault of Morinville and is reported to be over 50 years old.

Miss Carol Hittinger, 1966 Frontier Daze Queen is seen crowning Miss 1967, Miss Jeannette Bauwens.

**OUR LITTLE GUIDES PARADED AND TOOK PART IN THE HANDSHELL PROGRAMME.** Above are shown three members of the Guide Group of Morinville. Left to right: Helen Ricard, Lorne McDonald and Carol Woytkiw.

**WHY DO WE WALK WHILE THE OTHERS ARE RIDING?** So enquires one horse to the other. The favourite team of Clyde Dale horses driven by their owner, Mr. Lawrence Rye, 84, of the district and oldest member of the M.D. of Sturgeon, is seen driving in the parade sitting on an old fashioned road grader. The Belles in the democrat being pulled behind are Mrs. Alphonse Nobert, Mrs. Walter Van de Walle, Mrs. Lawrence Rye and Mrs. Maurice Rousseau.

# ggest Ever Frontier Daze

GAZETTE PHOTOS  
by DANNY

2,300 CALL FOR BREAKFAST - Shown is part of the crowd that the Frontier Daze Committee entertained at early breakfast on Saturday morning. Over 2,300 servings of hot cakes, maple syrup and special home cured bacon donated by Marcel Labonte. Over 125 lbs. of bacon, 112 lbs. of pancake mix and gallons of fresh milk went into the pancakes. 13 gallons of maple syrup and 100 gallons of good coffee all were cooked and served in two hours flat by a group of 15 people.

HELLO FOLKS: Bruce McGregor, N.H.L. Hockey Star who was a visitor to Morinville during Frontier Daze.

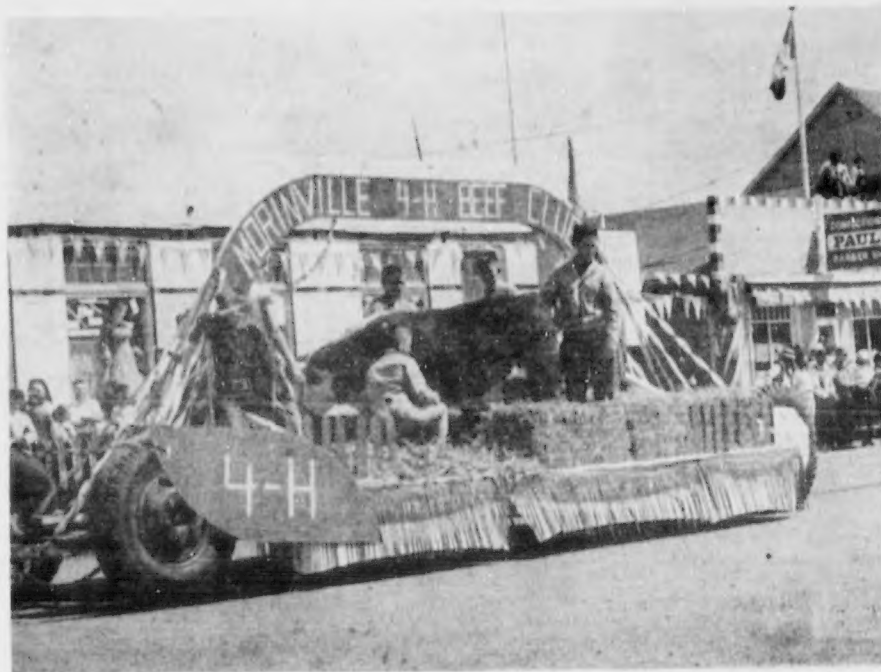

MISS FRONTIER DAZE 1967 - Miss Jeannette Bauwens, 16 year old daughter of Mr. and Mrs. Julien Bauwens of Morinville. Miss Bauwens is a grade XI student in Morinville and plans a university course after completing her school course at Thibault School.

The children get the Chef's Special Care. Mr. Floyd Volrath is seen serving a table of very special guests, children of the district on Saturday morning.

Mr. Alphonse Nobert, secretary-treasurer of the M. D. of Sturgeon is seen here with another team of National prize winners, Clydesdales owned by Mr. Rye. Mr. Nobert is seen riding an antique dump wagon used in road building some 40 years ago. Each of these horses weigh over 2000 pounds each.

Morinville 4-H Beef Club display one of their prize winning calves, which will be judged shortly on Achievement Day.

# M.D. Sturgeon meeting report

A number of requests for services were handed by Council at their May 17th meeting.

## ROAD OILING

Request was received at the office for a partial oiling of the 6 miles of road east of Morinville especially sections in front of the residences. Mr. Van de Walle informed the Council that it was his intentions to have sections in front of the residences on said road oiled as soon as possible in order to partially control the dust problem.

## ROAD SIGN

Request was received from the Golden West Golf Course to have the Council erect a 25 mile per hour road sign at 156 St. and 137 Ave. intersection, as many people cross the road at said intersection from the public golf course. Council instructed the Public Works Superintendent to have 25 mile per hour road signs erected at the 156 St. and 137 Ave. intersection.

## TRAFFIC SIGN

Letter was received from Mr. Gaumont requesting that the Council authorize the erection of 25 mile per hour traffic control signs in the Hamlet of Lamoureux. Council instructed the Superintendent of Public Works to have the above mentioned road signs erected as soon as possible.

## YIELD SIGN

Council authorized the sec.-treas. to amend By-law No. 132-65 by adding, the erection of a right of way yield sign at the south boundary of River Lot 26 in the Fort Saskatchewan Settlement, highway 15, thus giving traffic on the River Road, the right of way.

## 137th AVENUE

Harlan Hutchinson has been pleasing Edmonton and area customers for over ten years. Let "Hutch" serve you by calling 439-2288, or residence 434-6792 if you are in the market or just looking for a used or new car.

**SOUTH PARK**  
MOTORS LTD.

Letter from Mr. H. Banks president of the Edmonton Concrete Block Co. was read to the Council. He expressed his company's appreciation for the good maintenance on 137 Ave. during the past year and also requested Council to consider regravelling said road during this summer season. Mr. Flynn informed the Council that it was his intentions to have the road in question regravelled some time during this year.

## SUBDIVISION NAME

Letter from Mrs. Doris A. Yuskiv was read to council submitting various names for the St. Albert Trail subdivision.

MOVED that the Council authorize the ratepayers of the said subdivision to name their residential subdivision Green Acres, which was favored by 12 out of 18 people, living in said area. Further more the council is holding said ratepayers responsible for construction, erection and maintenance of the sign.

## LAND REASSESSMENT

The Municipal Assessor, Mr. Cote, submitted a written recommendation to the council stating that he could see no possibility of obtaining a Ministerial Order to reassess one or two parcels of land until physical changes have taken place to affect the unit in question. In order to correct the presumed inequity in the assessment of certain parcels of land, he recommended that a block of nine sections, namely sections 34, 35, 35 in twp. 57 rge 25 west of the 4th and sections 1, 2, 3, 10, 11, 12 in twp. 58 rge. 25 west of the 4th, be excluded from the adoption of the assessment for 1968 on the grounds that ditching and road improvements have corrected some ailments of that particular district. Such exclusion in the by-law would constitute the assessor's authority to reassess the block of land referred to.

MOVED that the council accept the assessor's recommendation.

## FIRE PROTECTION

MOVED that the council approve the suggested Interim Fire Protection Agreement with the Town of St. Albert based on the cost of \$100. per hour for apparatus plus \$5. per hour per man thereafter and that this Municipality request the Town of St. Albert to consider extending its fire protection services beyond 1 & 1/2 miles from the Town boundaries but exclude the area south of St. Albert as this area is already covered by an agreement with the City of Edmonton, to a radius of 4 miles north of the city limits.

HOG ENTERPRISE on S.W. 11-54-24-4

Mr. Wilson reported to the council that he had been informed that the hog enterprise on the above mentioned land was contaminating water in a creek which other adjacent property owners were utilizing as their main water supply for stock. The council authorized Mr. Wilson to investigate the complaint and if found the com-

plaints were justifiable that he should contact the Sturgeon Health Unit Sanitary Inspector for investigation and report to council on the situation.

## FIELDMAN

Mr. Flynn, chairman of the A.S.B. informed the council that the Board had interviewed a few of the former applicants for the position of Agricultural Fieldman but had not appointed anyone at present which leaves this Municipal District without an Agricultural Fieldman nor an Assistant Fieldman. A few suggestions were made by Council Members and it was agreed by the council that Mr. S. Walker contact Mr. J. Shenfield of Spruce Grove to find out if he would not be interested in said position.

The following farm purchase applications were approved:

- (a) Purchaser Henry Hofre N.W. 18-56-22-4, purchase price \$13,500.
- (b) Purchaser John W. Kinsella re N.E. 36-55-27-4 & Pt. N.W. 36-55-27-4, Purchase price \$12,500.

Council turned down 2 Development Permit applications:

- (a) Mr. John Snowden attended the meeting in regard to the development of a proposed trailer court at the described location. He informed the council that if approved by the council, the trailer court would be located west of his building site and would be operated by an independent party on a 5 yr. lease rental basis.

MOVED that the council do not approve of a development permit for a trailer court on the Pt. S.E. 25-53-25-4 for the reason that it is not the proper location for such development.

- (b) Mrs. Joyce Roper and Mrs. Betty Zielke requested a development permit for a concession booth at the Zielke Riding Stable at the above described location.

MOVED that the council do not authorize the operation of a concession booth to Mrs. Roper and Mrs. Zielke for the reason that no development permit was issued for a Riding Stable at the said location.

## CORRESPONDENCE

Letter re Bill No. 50 was read to the council requesting this municipality's comments and recommendations as to the new Alberta Association of Municipal Districts Bill No. 50 to be submitted prior to June 1, 1967. The matter was referred to the Public Relation Committee for study and recommendations.

Letter from Mr. G. W. Ballard, manager of Robert Morse Corp. Co. was read to the council in regard to the availability of portable vehicle scales to M.D.'s. The council agreed that this municipality was not interested to purchase such scales at present.

Each council member was given a copy of the more important new or amending legislation passed at the last session of the legislature, as submitted by Mr. B. Ramsay, Chief Municipal Inspector. Material was ordered to be filed.

Material was read to the council on the Alberta Blue Cross Plan as of July 1, 1967 and ordered to be filed.

Mr. Kluthe, Municipal District representative on the Health Unit Board of Directors, submitted a brief oral report on the activities of the Sturgeon Health Unit during the last part of 1966 and first part of 1967. Report are to be filed as information.

TOWN OF ST. ALBERT Information on charges for garbage collection to Commercial, Industrial and Institutional Establishments, was heard. Copy of the Towns By-Law No. 12-67, was also attached.

## MD Considers Road Matters

Unity Construction per Don Carruthers and the Municipal District of Sturgeon per D. Bevington. Gravelling road from the N.E. 8-56-23-4, going north 13 miles at the rate of 300 yds. of gravel per mile, cost per yard at \$2.20 delivered on the road. Contract was approved by council.

## DEPARTMENT OF HIGHWAYS

Letter from Mr. J. P. Church, Maintenance Engineer, informed the council that the Department of Highways had allotted \$50,000. for the continuation of the construction of District Highway 727 L (Correction line road from Volmer store east for 2.5 miles) A further letter from Mr. D. Ritchie, district engineer, advised the council that the highways Department wishes to have said road constructed to RCU 236 standards.

MOVED that the Secretary Treasurer advise Mr. Ritchie that the council intends to use Municipal Equipment to construct the above mentioned road.

NATURAL RESOURCE ROAD APPROPRIATION Letter from Mr. J. P. Church, Chief Maintenance Engineer, informed the Council that the Council's application, in a letter dated Feb. 28, 1967, had not been approved for the reconstruction and gravelling of 137 Ave west of Highway No. 2. BOARD OF TRANSPORT COMMISSIONERS FOR CANADA

Board Order No. 124168 - N.A.R. Crossing - Mileage 6.66 Lac La Biche - Subdivision between Section 12 and S.E. 11-56-24-4.

MOVED that the council approve and proceed with the above noted crossing on a crossing on a cost sharing basis of 80% (or \$3,740.) whichever is the lesser) to be paid out of the Railway Grade Crossing Fund, 7 & 1/2% to be paid by the N.A.R. and the balance of the cost to be borne by the Municipality.

Board Order No. 124263 - C.N.R. Crossing - Mileage 18.45 Coronado Subdivision in the N.E. 23-56-23-4.

MOVED that the council approve and proceed with the

## COUNCIL BRIEFS

Council approved the proposed Civil Defence Budget 1967-68 and that the Reeve and Secretary Treasurer be authorized to sign said document. Municipal share - \$141.25.

TAX RECOVERY SALE Moved that the council sell Lot 4, Block A, Plan 8105 ET Calahoo to Mr. George Loyie of Calahoo for the price of One Hundred and Twenty Five Dollars (\$125.) to be paid cash and that the required by-law be passed at the next council meeting.

The Secretary Treasurer had prepared a schedule for holidays for the Office personnel. Council agreed that the Secretary Treasurer's recommendations be dealt with by the Public Relations Committee.

Council approved the Gary Power Ltd. plans for power extension line to Speedway Park on the N.E. 25-53-25-4.

Preliminary Plans of the Bon Accord Gibbons R.E.A. were approved, as were the Legal R.E.A. - farm power. construction plans to date.

MAYORS COLUMN  
Continued from page 1.

the 1967 taxation year for your house will in almost all instances be the same as that used for the 1966 taxation year. The only exception, of course, will be to those properties which were improved prior to October 31st, 1966.

The amount of dollars required for Municipal purposes in 1967 is in no way affected by the postponement of the 1967 General Assess-

ment, however, we expect our negotiations to be completely successful in reducing the amount of Equalized Assessment to a point where there will be an actual dollar saving to the ratepayers in St. Albert of approximately \$36,000. The reason for this is that the land values for this tax year will revert back to what they were prior to the General Assessment.

I appreciate the fact that assessment and taxes are extremely broad subjects and can become quite com-

plex when one has to take into consideration such matters as equalization as well, and if any of the ratepayers in Town would care to 'phone me at Town Hall, anytime during the day, or leave their telephone number with our Operator, I would be pleased to go into this in more detail with you.

The petition which I referred to last week against By-law No. 14/67 to provide additional funds for the arena has now been received at Town Hall. I have discussed

this By-law and petition with the Chief Inspector of the Department of Municipal Affairs and have ascertained that Council is under no obligation to proceed with the By-law calling for the borrowing of the additional \$50,000. With this in mind I will be recommending to Council at our budget meeting on Wednesday night that a resolution be passed not to proceed with By-law No. 14/67 and that an additional four mills be added to the mill rate in 1967 to provide the

FAST RESULTS

\$50,000 out of General revenue. It is with a considerable amount of regret that I feel that this recommendation is necessary, however, it has become increasingly difficult over the past year for your Council to operate in an efficient manner which could bring about more enjoyable living conditions in the Town of St. Albert.

More than Three Million persons last year visited the four National parks in the Province of Alberta -- Banff, Jasper, Waterton, and Elk Island.

Alberta's first major oil field was Turner Valley, discovered in 1914, and it is still producing about a million barrels of crude oil each year.

The Province of Alberta is the only one in Canada in which there is no provincial retail sales tax.

# THE ALBERTA HEALTH PLAN GOES INTO EFFECT JULY 1st.

and report back to the council at the next meeting.

Berube Drainage Complaint-TWP. 53 and 54-26-4. Plan, profile and, cost estimate of the above noted drainage project were submitted to the council as received from the Water Resources letter dated April 20, 1967.

Council will advise Water Resources that this municipality is prepared to proceed with the above noted drainage project on the basis of 50% Government, 25% Municipal District and 25% property owners affected, provided that the said land owners benefitting from drainage accept the responsibility of the 25% share of the cost involved and said estimated cost be paid by same, prior to commencing project

Letter from the above mentioned property owners complained that their land, namely the N.W. 20-57-23-4 was being flooded from water, draining from the following lands: Sections 13, 18, 19, 24, 25 and 30-57-24-4 and requested the council to investigate the problem. Council moved that Mr. Bevington investigate the above described flooding problem

### TOWN OF ST. ALBERT PUBLIC NOTICE.

Notice is hereby given that the Town of St. Albert is conducting a survey for possible usage of five (5) recently purchased utility buildings (size - 20 feet by 84 feet).

Any person, group or organization interested in proposing a use of these facilities is invited to submit information to the Town outlining the proposed use together with any further recommendation they may wish to offer.

Should a person, group or organization propose a specific use for one or more of these buildings, then a schedule of use must be included in the submission in order that alternate use of the building(s) can be arranged. The proposed location of the building(s) should also be included in the submission.

Written submissions in regard to the above will be received by the undersigned up to, 5:00 p.m. Monday, July 24th, 1967.

Secretary-Treasurer  
Town of St. Albert  
Town Hall  
St. Albert, Alberta.  
June 21st, 1967.

### LEGAL CREEK

Plan, profile and cost estimate of the above mentioned project were examined by the Council as submitted by Water Resources, letter dated April 19, 1967. Council will apply to Water Resources Division for approval of said drainage project and that it be constructed on a cost sharing basis of 50% Government and 50% Municipal District of Sturgeon No. 96.

## Farther Afield

A look at the Cariboo Observer from Quesnel B.C. this week shows that they contend with many of the same things St. Albert does. One item states "Barely had the cement had time to dry in Quesnel's Centennial Swimming Pool (opened in June) than vandals went on a spree of destruction". Litter in the pool, broken window and such were mentioned.

The same issue shows the Quesnel Chamberworking on the perennial headache of dog control. They even took a census of dogs showing some 600 in the town of 5,725. The work and re-

search ended up with a resolution asking for better use to be made of the pound-keeper by the Town Council, and Council feeling that the problem of dogs on lawns, Council losing over \$2,000 in licence fees according to the census, dogs barking at night and so on, will be forever with them.

An item suprised us the Editorial page was the statement in an editorial on High School graduation exercises that "There is no suggestion of any student having to supply his or her own gown" in Quesnel they wear traditional graduation gowns -

some owned by the school and others available in the community.

## WELCOME WAGON

We welcome the following newcomers to St. Albert: Mr. and Mrs. Steve Horvath and family in Sturgeon Heights district from Rivers Manitoba.

Mr. and Mrs. Olly Kendel and family, Mr. and Mrs. Lyle Larrigan and Mr. and Mrs. Howard Nessel and family all of Grandin Park.
